Dear Owosso Country Club Membership,

As you may have heard, our Superintendent for 20 years, Chuck Koboldt has decided to take a new position as the Superintendent at Jackson Cascades Golf Course in Jackson, Mi. We wish Chuck all the best and know he will do a great job there, as he did at OCC. With that being said, we believe we have found a fantastic replacement for Chuck.

#### **NEWLY HIRED GREENS SUPERINTENDENT**

A search for a new greens superintendent has been conducted. Applicants were solicited through the Michigan Superintendent's Association, GAM and contacts at various golf courses in Michigan. The members of the search committee included:

Club President: Glen Merkel

Greens Chairman: Greg Kilbourn

Stockholder and past President: Chris Taphouse

We narrowed down the applicants to six who were brought in for interviews which were conducted in early February. At that time we identified an applicant who we felt was the best fit for our club.

A special Board Meeting was held, and our chosen applicant was unanimously approved by the Board of your Owosso CC.

We are pleased to announce that our new Greens Superintendent is Donald Hartman. He is a graduate of Michigan State University's turf management school. He has 30 plus years of golf course work experience as both a crew member and as assistant greens superintendent. For the last 25 years he has been a head greens superintendent. His most recent position was at Shadow Ridge in Ionia

He will fit in great with the experienced work crew Chuck Koboldt has trained and developed over the years. Mr. Hartman is eager to start. His first day at OCC will be March 12th. Please take the time to welcome Don when you are out at OCC this spring!

Sincerely,

Greg Kilbourn, Grounds Chairman

Owosso Country Club
