Bunker March 2020

Oh so
LUCKY
to have
you!

The Easter Brunch scheduled for this year has been cancelled due to the COVID-19.

March 26, 2020

Dear Owosso CC Members,

This is a revised course status updated today, March 26, 2020, at 2pm; the golf course is to be closed for all play as of today.

The Shiawassee County Health Department contacted us today after we sent the previous email to you. They ordered us to close the golf course for all play until further notice. This is in regards to the governor's offices mandate to keep the state closed, other than what they deem necessary operations and businesses until April 13, or further notice. We are currently planning on opening the Course, Pro Shop and Club House on April 14th.

Please understand this is a fluid situation, and we will keep you updated on further developments as they occur.

Sincerely,
Glen Merkel, Club President
Owosso Country Club

Thank you for Pre-Paying!

Thank you to the members who prepaid their 2020 dues. It helps the club get through the winter on a better financial footing.

Also, please remember that paying monthly dues by the 15th of the month is appreciated and helps the club.

Dear OCC Members,

Greetings! At this time we are unable to open the course for play due to COVID 19 and the government's "stay at home" mandate. I have been in touch with many of my fellow golf professionals throughout the state and we are all in the same situation. Once we get the season underway and are allowed to play, we will implement all the precautionary measures that the CDC, PGA of American and the State & Local Governments and associations recommend to keep you as safe as possible. We will inform you of our policies and procedures during these unprecedented times.

The OCC Golf Calendar has our annual Free Member Clinics (using safe distancing practices) in April as well as our Men's Spring Guest day. Some of these events may change due to the COVID 19 pandemic and regulation that are being enforced. We will keep everyone posted as things become clearer. Our full Golf Calendar is available on our website: www.owossocountryclub.com

I am busy receiving inventory for the season and stocking the pro-shop. Callaway's Mavrik line up of clubs look great. The Mavrik's have a family of 3 drivers, fairway woods and hybrids: the Sub Zero, regular Mavrik and Mavrik Max. They all have different shapes, which will appeal to a wide variety of golfers. On first glance I think the Mavrik Max is going to be a big hit in the driver and fairway woods category with all skill levels. They have a strong look to them and really encourage a powerful draw ball flight. I am getting all the demo clubs in for you to try this season. Clothing and soft goods lines that I am carrying this season are; Vineyard Vines, JoFit, Callaway, Bermuda Sands, New Balance and Ahead. Even though we are not open for business, I wanted to offer my services, if you were planning on buying something over the internet from a national golf outlet store. I can match prices and have products shipped right to your door. If something is not right or defected, I can get your exchange or return processed easily. You can call me at the pro shop or email me.

We hope to see you out at the club in the coming weeks, please stay safe and have a good start to the month of April.

Good Golfing,
Steve Wakulsky, PGA
Owosso CC
