

OWOSSO COUNTRY CLUB

April 2021

Buried in the Bunker

It is great to get the golf season underway! I hope that you and your families had a good winter and that you are excited to have spring arrive and begin the golf season! In April we have 3 free Member Golf Clinics on April 20, 21 and 22nd from 12-1pm. We also have our Men's Guest Day on April 29th. Our opening scramble is on May 2nd. The Owosso High School boys golf team will be out practicing, as their season is getting underway and OCC is their home course. We will also begin our sign up for Men's and Ladies leagues which begin in May. I will be sending out a sign-up sheet for the Men's League via email. For the Ladies League please contact Ann Brimley or Charlene Bonkowski, as they head up the league. To that point, please let us know if you have changed your email address or let us know your email address if you are a new member, so we can add you to our members contact list. We send out important information regarding the course status and upcoming events at the club.

We have been busy getting the pro shop set up over the past weeks. I have the new 2021 Callaway Epic woods, Odyssey putters and Callaway Jaws wedges in stock. I have a good supply of those as demo clubs for you to try out as well. For clothing lines I have Ahead, Vineyard Vines, Callaway and Bermuda Sands in men's and women's.

Please do not hesitate to contact us if you have questions regarding golf events, lessons, club repair/regripping, membership needs, or anything else that you need. We are always happy to help. We follow the CDC, State of Michigan and PGA of Americas guidelines set forth for protocols regarding Covid to help keep everyone as safe as possible. We look forward to seeing you at OCC in April!

Good Golfing,
Steve Wakulsky, PGA
Owosso CC

What's Cookin'

Spring is here! I'm looking forward to seeing you all at Easter this year. Last year, as many remember, we could not be open for Easter due to Covid-19. This year we will be open and appreciate the understanding of some of the new practices we have in effect to help curb the spread of the virus. This season the clubhouse will have a tentative opening on April 15th and 22nd. April 29th will be our official opening day this season. I'd like to add we can currently accommodate banquets indoors again. If you would like to host an event, please let the clubhouse management know and we will be happy to make it an event to remember!

Josh Kress
Executive Chef

Stockholder Benefits

Since the change from Privileged to Stockholder membership was implemented we have had questions on what the benefits of being a Stockholder is. We hope this list helps. If you have additional questions, please talk with one of the Board Members.

- Voting Rights
- Can serve of the Board of Directors
- Full use of Men's Locker Room and free locker.
- Access to the Stockholder Room
- Discounted green fees for guests
- Share of stock valued at \$100
- Reciprocal rights at many prestigious golf courses in Michigan.
- Reduced room fee rental for events.
- Club Ownership

When Owosso Country Club was founded in 1923, it was a member/privately shared club. During some recessions, additional membership statuses were offered in order for the club to stay financially viable.

Changing memberships to Stockholders is returning to the way the Club was traditionally founded.

Join the 1pm-18 Hole League!

The Thursday, 1pm, 18 Hole League is looking for players.

If you don't have a partner, please contact Steve or Trevor. Come and join this league, you won't be sorry!

Spring Business Office Hours

Starting April 1, the Spring Office Hours will be 10am-2pm, Tuesday-Friday.

You can email or leave a message on the phone if you have any questions during non-business hours. Thanks so much!

Thank You!

The card room is getting a much needed overhaul! Work in progress! Thanks Joe Miller!

Superintendent's Corner

Hello to all OCC members. I hope all went well this past winter. The golf course was very busy with the tree project. Lots of wood and tree limbs to cleanup, but it's going very well. The crew is working very hard on cleaning up the course. I came through winter good myself. The crew and I are looking forward to the 2021 season. We hope all goes well and we can get back to somewhat of a normal! We look forward to seeing you all out here soon!

Don Hartman
Grounds Superintendent
